

Ruhestätte
des
August Friedr. Holzhausen
kgl. Maschineninspektor

The photograph shows a dark, rectangular gravestone with a decorative border, set on a base. The stone is inscribed with the name and title of August Friedr. Holzhausen. It is positioned in front of a dark wooden fence with vertical slats. The background is filled with dense, leafy plants and flowers, some of which are in bloom. The ground around the stone is covered with small, light-colored flowers and leaves.
